Form amended April 2003.

Any previous forms are obsolete and are not applicable for submissions.

SURNAME	
GIVEN NAMES (in full)	
TITLE: Prof/Dr/Mr/Mrs/Miss/Ms	

APPLICATION FOR PROFESSIONAL MEMBERSHIP

BASIS FOR APPLICATION

According to *Clause 3.1 of the SAIE&ES Constitution*, a Professional Ecologist/Environmental Scientist is someone who is considered by the Board to be primarily an ecologist or environmental scientist, who makes his/her livelihood by exercising his/her scientific expertise and meets the following requirements:

(a) **Academic**

- at least an honours degree (or equivalent) in a scientific discipline which encompasses the study of ecology and/or the natural environment, AND
- a further post-graduate level degree in ecology and/or environmental science, which has been examined and passed.

(b) **Professional**

- a minimum of three years' professional experience as a practicing ecologist or environmental scientist, attested to by a professional member of the Institute in good standing.

Eligibility for professional membership is assessed by a sub-committee of the Board, and is done against the criteria laid out above. In special cases, however, the Board may waive the academic requirement of a higher degree. In such cases experience will be critically assessed. Applicants must justify in their submissions the extent of their ecological/environmental science experience.

Proposed Subscription fees for 2003

	Standard Fee 2003	Discounted fee (if paid before 1 July 2003)
Professional	330,00	300,00
Associate	175,00	160,00
Libraries in SA	200,00	200,00
Libraries outside SA	300,00	250,00
Students	100,00	100,00

SUBMISSION REQUIREMENTS

Your submitted *Curriculum vitae* should include the following information:

Qualifications

Please enclose:

- Copies of degree certificates;
- Whatever further information, justification or personal statement you think may help the Board to judge the ecological/environmental content of the degree(s) involved.

Experience

- In addition to a record of formal employment, provide whatever further justification, personal statement or additional information you think may help the Board to judge the appropriateness of your professional experience.

Publications and Reports

- Provide either a complete or a selected list of ecological and/or environmental publications and professional reports. To enhance your application, particularly with regard to professional experience, provide whatever further justification, personal statement, or additional information you think may help the Board to judge the content of the key publications. ***Please indicate the nature of your input in each instance.***

Draft Entry for Register of Professional Ecologists & Environmental Scientists in Southern Africa as published from time to time by the Institute

- Please complete the attached database entry form. This information forms the basis of your entry into the widely distributed Register, which is updated and distributed regularly.

Sponsorship of Application for Professional Membership of the SAIE&ES

- The attached two pages should be completed by two current Professional Members of the Institute who are prepared to sponsor your application. They should complete the questions listed, and return their confidential replies direct to the Secretariat.

Undertaking by Candidate

I hereby undertake to abide by the provisions and spirit of the Southern African Institute of Ecologists and Environmental Scientists' Constitution, its by-laws and Code of Ethics, as issued and amended from time to time.

**APPLICATION FOR PROFESSIONAL MEMBERSHIP OF THE SAIE&ES
CONFIDENTIAL SPONSORSHIP REPLY FORM**

Name of candidate:	
--------------------	--

To be completed by current Professional Members of the Institute only.

Note to Sponsors:

Your sponsorship of this candidate is the first step in their being accepted into the Professional Membership of the Institute, on the foundation that you would regard them as an accepted peer. We would appreciate your answering the questions below and forwarding your confidential reply to the address above.

Name and address of Sponsor:	
Do you know the candidate professionally or personally (or both)?	
How long have you known the candidate?	
Are you, as an existing professional member of the Institute, satisfied that the applicant meets the entry criteria as shown, exhibits professional competence, and integrity? (Selection criteria overleaf.)	
Are you aware of any reason why this applicant should not become a professional member of the Institute?	
Any other comments?	
Signature of Sponsor:	

Thank you for assisting with this initial stage of the vetting procedure

SELECTION CRITERIA:

Eligibility for professional membership is assessed by a sub-committee of the Board, and is done so against the criteria laid out below. In special cases, however, the Board may waive the academic requirement of a higher degree. In such cases experience will be critically assessed. Applicants will be required to justify in their submissions the extent of their ecological/environmental science experience. *If the applicant you are sponsoring does not hold a higher degree, please provide a one or two paragraph justification for your view that they should be admitted to the Institute as a professional member.*

According to *Clause 3.1 of the SAIE&ES Constitution*, a Professional Ecologist/Environmental Scientist is someone who is considered by the Board to be primarily an ecologist or environmental scientist, who makes his/her livelihood by exercising his/her scientific expertise and meets the following requirements:

(a) ***Academic***

- at least an honours degree (or equivalent) in a scientific discipline which encompasses the study of ecology and/or the natural environment, AND
- a further post-graduate level degree in ecology and/or environmental science, which has been examined and passed.

(b) ***Professional***

- a minimum of three years' professional experience as a practicing ecologist or environmental scientist, attested to by a professional member of the Institute in good standing.
